*Please use worksheet on the back to mark all areas requiring repair ▶*

If there is damage on your boat that you do not wish to have repaired - please note it here:
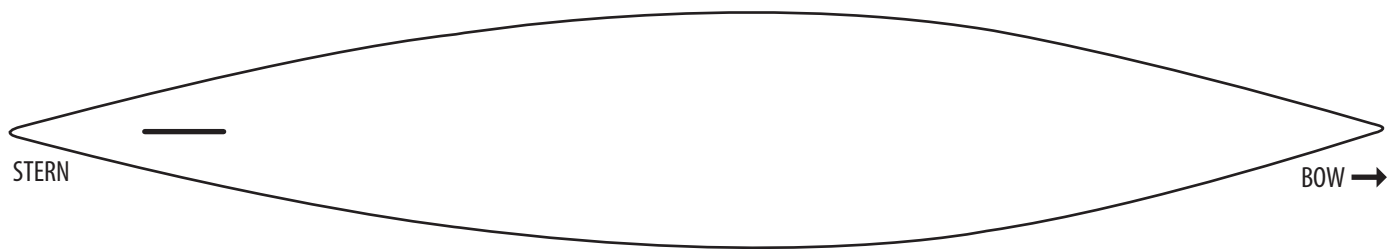

_____
_____

The Repair Process

• All repairs must be dropped off at our Factory Service Centre at 14 Howard Street in South River

• Once you drop your boat at our factory it will be assessed by our technicians and you will be emailed a quote as well as an estimated completion date. Upon approval of the quote, you will need to provide a credit card number for payment and possible storage fees.

• If you decline the repair quote, you will be charged $50 admin fee for the quote time.

• When the repair work is complete your credit card will be charged and you will be notified that your boat is ready for pickup.

• During the repair process, your boat will be stored outdoors on racks and will be susceptible to UV rays. We do not have indoor storage on site.

• **Once your repair is complete you will have 30 days in which to pick it up, after which time we will begin charging you storage fees of $100 per month on your credit card.**
